

Print a Badger Region Membership

A current Badger Region Volleyball membership is required for any player or coach prior to stepping on a volleyball court. A printed copy of your child's membership is required to be submitted with the registration packet. If your daughter does not currently have a membership, you will be able to purchase a membership beginning May 1.

Last year Badger Region partnered with Sports Engine to register for memberships and events. You may print the membership one of three ways:

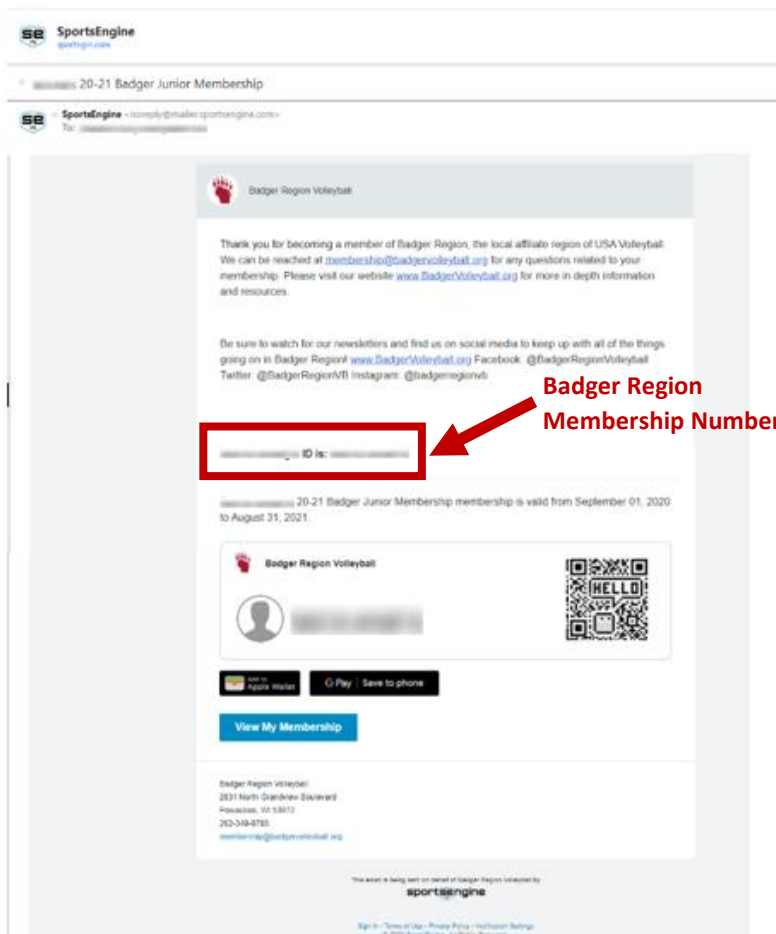

- Print the confirmation email when you purchased a Badger Region membership
- Print a screen shot of the membership from a computer
- Save the membership to Google Pay or Apple Wallet, send a screen shot to email, and print the email

If you have any questions, please send an email to juniorklancersvb@gmail.com.
